We wish to distinctly understand that we do not hold ourselves responsible for the views or expressions of correspondents.

Owing to the press upon our columns this week, several communications and other matters of interest are crowded out.

The ladies of the Presbyterian Church will have ice cream and other refreshments for sale at Hampton Park on next Friday, between the hours of 6 and 7:30 P. M. The proceeds will be donated to the erection fund of the new Church building.

Mr. Robert E. Sloan, of Pendleton, sent us an Irish potato last week weighing twenty-six and a half ounces. It was a very large potato and well shaped for one of its unusual weight. It was the finest one we have seen during this year.

We are requested to announce that there will be a Musical Association organized at Bethesda Church, Brushy Creek Township, Saturday August 3rd, at 10 o'clock a. m. All Churches in the Township are invited to attend and participate in said organization.

The colored man that fell from the second story window during the entertainment Friday evening, at the Masonic Hall, we are glad to learn, was not materially hurt, although they say his head struck the sidewalk first. He was not a member of the society.

In accordance with a resolution passed by the Anderson Division, S. T. requesting the ministers of our town to preach on the subject of Temperance, the Rev. H. F. Christberg has consented to preach on this subject on Sunday night next at the Methodist Church.

The Anderson Democratic Club will hold its regular meeting Friday afternoon at 6 o'clock, in the Masonic Hall. Hon. R. W. Simpson will deliver an address. Members are requested to be punctual in attendance, as business of importance will be brought before the meeting.

We take this opportunity to thank Mrs. John M. Moorhead for some very excellent Sugar Plums sent us. They were light colored and averaged five inches around. This excellent fruit should be extensively cultivated. Mrs. Moorhead has a fine orchard and succeeds well with her fruit.

The congregation of St. Paul's Episcopal Church, at Pendleton, are most fortunate in having secured the services of Rev. Wm. M. Hancle, of Charleston, as Rector. Mr. Hancle is a pleasant and intelligent gentleman, who is quite an acquisition to the town of Pendleton. He is an earnest, and at times an eloquent speaker and is very much admired and liked by his new congregation.

It will be remembered that the anniversary of the "Red Shirt" organization at Pendleton will be celebrated at that place on the 23rd of August, as mentioned in our last issue. Gen. Humphreys has received and accepted an invitation for his Brigade to be present. The celebration gives promise of great success. Several prominent gentlemen are expected to address the people on that occasion.

On the afternoon of the eclipse, heavy clouds obscured the sun until about ten minutes to six o'clock, when it was not one fourth eclipsed. The moon passed off at the southeastern portion of the sun's disc. Many astronomers had a fine view of the eclipse along the line of its totality. Whilst it was comparatively a failure here, we had a rain which refreshed the parched vegetation very much.

Messrs. C. A. Reed and J. E. Peoples have purchased the right for the sale of The Great American Fruit Dryer, which they are having manufactured, and will have on hand for sale. Every one should call and examine this great invention, with which you can dry fruit in three hours, better than any other way. The fruit dried by this Dryer, commands a better price than that dried in the usual way.

We do glad to see the efforts made by our colored fellow citizens to free themselves from the shackles of Intemperance, and to elevate themselves and their race upon a higher plane of morality. The colored Temperance Society at this place, has been working hard to increase its membership. A renewed effort was made on Friday last, when the members, dressed in regalia, and carrying appropriate banners, marched in procession through our streets to the colored Methodist Church. The setting being a public one, the church was well attended. Messrs L. P. Smith and G. T. Tolly, having previously been invited to deliver addresses, were present and spoke on the subject of Temperance, urging upon them the necessity of cultivating grace. They were respectfully listened to, and frequently applauded. At night, an entertainment was given in the Masonic Hall, to replenish their treasury, which proved successful. \$26 dollars were realized above expenses.

GRANGE MEETING.

The meeting of Pomona Grange, with the Harpers, Sandy Springs, Deep Creek, Hunters Spring and Town Creek Associations, Grange, at Lebanon, on last Friday and Saturday, was well attended by delegates from these Granges, and the exercises were unusually interesting. The subject of the best mode of keeping stock under the new stock law was discussed at length, and with much practical ability by many of the Grangers present, and a very excellent essay on woman's domestic relations was read by Mrs. Wm. Quales. After an excellent basket dinner, and the transaction of other interesting business, the subjects for the next meeting were arranged, and Sandy Springs was agreed upon as the place. On Saturday a long session of Pomona Grange was held, after which the public meeting was entertained by an able and striking address from Col. J. W. Morris, upon the moral, social, political and financial influence of the Grange. The speech was instructive, and received the best of attention and the highest appreciation. After this speech dinner was announced, and proved to be a most abundant and sumptuous repast, which was heartily partaken of by those present. In the afternoon John E. Breazeale, Esq., was requested to make a speech upon woman in the Grange, and responded in an eloquent address, paying the highest compliment to woman, her mission and the way she fulfills it. After this speech the meeting adjourned, and all present felt that they had spent two days in most pleasant and profitable interchange of views.

THE MUSTER AT CROSS ROADS.

The battalion muster at Cross Roads on last Saturday consisted of the companies of Capt. J. L. Br. W. E. R. Baty, A. N. Saunders and Wm. S. Hall, of the Western Regiment, which were commanded by the regimental officers, consisting of Col. W. E. Walters, Lieut.-Col. J. T. Jones and Maj. Elias McGee, accompanied by their staff officers, and Maj. J. N. Vandiver, of the Eastern Regiment. The companies were well attended, and the parade proved to be a very great success. The officers and men showed great proficiency, and the companies went through the various movements with a skill which would have been creditable to men with double their practice. After the drilling was over, the concourse of people, which probably numbered one thousand, assembled by the Church, and were addressed upon the political situation by Messrs. John B. Moore, E. B. Murray, John Wilson, E. M. Rucker, B. F. Crayton and W. E. Walters. Gen. W. F. Humphreys presided over the meeting, and appropriately introduced the speakers, who made short and pointed speeches, at the conclusion of which dinner was announced, and the crowd gathered in small parties around the numerous baskets of good things which had been provided to revive the inner man, and from the hearty appetites of which they gave evidence. We can safely testify that the repast was both abundant and tempting. In the afternoon the young people gathered at Mr. Long's gin house, and for several hours defied the thermometer's proclamation of heat by engaging most ardently in the dance. Everything passed off very pleasantly, indeed, and all present testify that the day was an interesting one.

TOWNVILLE.

Providence Democratic Club, Oconee County, has nominated Maj. A. R. Broyles, formerly of Anderson C. H., for the Legislature. Heavy rains visited this whole region of country Sunday and Monday last, and now, instead of gloomy forebodings, a spirit of cheer and hope irradiates every countenance. Rev. T. P. Phillips, the pastor in charge, wishes to announce that the Providence Camp Meeting will embrace the fourth Sunday in September. All who may wish to join the proposed company of infantry at Townville will meet at that place on the afternoon of the second Saturday in August prox., to organize. The citizens of the Shallow Ford neighborhood have this week ruled down Smith Chapel, (Methodist), preparatory to rebuilding it on a more eligible spot near by. The forthcoming building will be more nearly complete every year than the former one. Rev. J. C. McElhinney, a local preacher of the Methodist Church, and a resident of Spartanburg, (he has been blind from his earliest age), preached in the Presbyterian Church at this place last Sunday afternoon to a very large congregation. He carries with him a copy of the Bible with raised letters, from which he read a chapter accurately and with surprising ease and expedition. To his brief, as well as just, his sermon was yet. He is assisted by Rev. Mr. Phillips in a meeting at Cedar Grove Church this week.

HONEA PATH.

The Democratic Club will meet at this place, on Saturday afternoon next, at 3 o'clock. Your correspondent indebted to Mr. M. L. Latimer, for a nice basket of fruit. May his shadow never grow less. A row occurred near this place, of Sunday last, in which on colored man was shot in the shoulder, and another had his back peeled off his head with a stick or one. If the dry weather of the past week has brought out sixteen hundred and a half candidates, what, oh! what will the nightowers and the eclipse of Monday bring forth! Rev. J. L. Brownlee will preach at the Presbyterian Church, on Sunday next. Messrs. Hickson and Pace, will commence a protracted meeting at Barker's Creek church on to-day, (Thursday).

CAMP MEETING.

A camp meeting will begin on next Friday, 3d of August, at Townville, S. C. What is known as the Clinch Mountain or Broadmouth Creek, between Clinch and Honea Path. Revs. O. A. Finger, Wm. A. Hodges and J. W. S. S. are the publicists invited to preach. The public is invited to attend. The meeting is invited to attend. The meeting is invited to attend.

A CARD.

MR. EDITOR: I desire with the next issue of your paper to withdraw my name from all further consideration for the position of Senator in the ensuing election. There is no obstacle to my being a candidate, of a personal nature which I have not been able to remove and which I foresee, I shall not be able to remove. My friends, and perhaps the public generally, will understand what I mean. I feel that I ought not to longer occupy a seemingly doubtful position, and, in the event of my being elected, I would be a disgrace to my friends.

The report of the Executive Committee swelled the number of names on our roll, and our club is in full working trim. FARMERS' AND MECHANICS' ASSOCIATION.

Pursuant to a call made by the President of the Anderson Farmers' and Mechanics' Association, the stockholders met in the Court House on Monday the 29th inst. The President stated the object of the meeting to be for the election of officers to serve for the ensuing year, and for the transaction of such other business as might be brought before the meeting. A majority of the stock being represented, it was moved that the old officers, to wit: B. F. Crayton, President; F. E. Harrison, Vice President; J. L. Tribble, Secretary and Treasurer; W. W. Humphreys, J. W. Norris, D. J. Shearard, W. H. D. Gaillard and J. W. Prevost, Directors—be re-elected by acclamation, which was adopted. The President then returned his thanks to the stockholders for the honor conferred upon him as an expression of their renewed confidence. He stated that he had thought to decline a re-election, so as to let some one else fill the place. That he was afraid that some might think him selfish in holding on to this, after being elected President of the State Agricultural Association, but, if the stockholders wished him to remain as the President, he was still ready and willing to do all he could toward making Anderson County the Banner County of the State in her agricultural interests. That he was giving much of his time in the interest of the State Agricultural Association, and hoped the farmers of Anderson County would also take an interest in it, and lend both their products and their presence to the next State Fair. A CARD.

MR. EDITOR: Recognizing the wisdom of Gov. Hampton's advice, that "the people should select their best men for the Legislature, and require them to serve," we present Hon. H. R. Vandiver to the Democracy of the County for re-election to the House of Representatives. If high character, long experience, a mind capable of appreciating the wants of the people, and a steadfast devotion to their interest, constitute a claim to their confidence and suffrage, then his friends, confident of success, ask him to go before the people at their primary election. Capt. Vandiver's character and record are too well known to the people of the County to need any extended notice here. We believe he has served longer in the Legislature than any man in the County now available for the position, and during the many years of this service, both before and since the war, the record will show as close attention to the duties of his position as his part as that of any Representative who served during the same terms. The firmness and courage with which he stood by his Democratic brethren in the dark and perilous days of November, '76, is sufficient guarantee that if by any misfortune those evil days should return, he will not be found wanting in those qualities which saved the State in that hour of her extremest need. In the Legislature, Capt. Vandiver is eminently a working member. His friends do not claim that he is a "real speaker," and they are not so sure that this is in some measure a recommendation, for it is feared that the extreme length of the legislative sessions of late years is owing to too much "Buncombe speaking" and not enough work. N. O. Farmer, John H. Burns, J. L. Farmer, A. Farmer, Jordan Burns, W. C. McCarty, E. P. Farmer, W. K. Sharp, N. W. Groat, Jas. Barton, Jas. B. Brown, J. A. Burgess.

COUNTY SUNDAY SCHOOL CONVENTION.

A convention consisting of the various Sunday Schools in the town of Anderson was called to order by Rev. W. H. Strickland, County Chairman, at 4 o'clock, on Sunday the 28th July. Dr. Frierson moved, and it was adopted that it is expedient for us to elect five delegates to the State Sunday School Convention, to be held at Greenville, S. C., on 21st and 22nd of August. The Chairman appointed Bros. W. J. Ligon, G. J. T. J. L. Tribble, J. T. Barnes and J. W. Todd, delegates, and, upon motion it was agreed that any delegate not able to attend, was empowered to designate his alternate. The County Chairman was instructed to invite all Superintendents of Sunday Schools, and others interested in the Sunday School cause, to attend the adjourned meeting of this convention. The proceedings were ordered to be published in our County papers. The convention then adjourned to meet at 10 o'clock on Saturday, before the fourth Sunday in August, at the Baptist Church. W. H. STRICKLAND, Chairman. W. S. LIGON, Secretary.

A CARD.

TO THE DEMOCRATIC CLUBS OF ANDERSON: Having been nominated by several of the leading Clubs for re-election to the House of Representatives, I feel it incumbent upon me to acknowledge my most sincere thanks for the honor they have conferred upon me, but to say to them that it will be impossible for me to serve. Having devoted most of the last four years to the public service, I have neglected my private affairs and profession, so that they now require my personal attention. During my two terms of office, I have used every effort in supporting Gov. Hampton, and for the best interest of the Democratic party, the people of Anderson, and the State of South Carolina; and it affords me infinite gratification to have my course endorsed by the Democrats of this County. If it were necessary that I should serve again I would make the sacrifice, but such not being the case, I must respectfully decline to allow my name used. I have only to ask that you select the best men, and those who are thoroughly in accord with Gov. Hampton and his administration. Very respectfully, Your obedient servant, JAS. L. ORR.

Good Digestion.

"Give us this day our daily bread" and good medicine to digest it, is both reverent and human. The human stomach and liver are fruitful sources of life's comfort or discomfort and disease, their single malady, along every nerve and through every artery. The man or woman with good digestion is healthy and strong, and his or her system is free from all disease. The world still needs two or three new kinds of medicine before death can be perfectly abolished; but many sufferers from Liver disease, Dyspepsia and Headache, have been cured by Mearns's Liver Pills, no longer a doubt. It cures Headache in ten minutes, and there is no other.
